

WM SECURITY SOLUTIONS

We Help You Keep Peace!

WM Security Solutions is an innovative, aggressive & experienced security company from Los Angeles, CA. We provide high quality security guard services throughout the state of California. We pride ourselves on our high standard of service. Our top priority is to insure the safety and security of our clients.

At WM Security Solutions, we offer a variety of security services specializing in Commercial Security, Residential Services & Construction Site Security.

It is often quoted that the fundamental key to our business success is our effective and creative management. Through policies and procedures, staff managers must have the ability to lead and formulate a company environment where each employee's internal motivation can flourish. Management understands that in order to provide total quality service to your company and all of our clients, we must provide total quality support to our employees.

As a service organization, our personnel are well trained, supervised and specifically selected for each client. A challenge to all of us, and one that is met successfully each day.

At **WM Security Solutions**, we care about service. The distinction between WM Security and other security companies is our commitment to our client's needs. We believe that to support our client's needs on a daily basis is what is important.

We are innovative & aggressive in our attempts to obtain the goals we have defined, always seeking further knowledge, and always challenging ourselves. We work with our customers to create a customized security procedures program, specifically for each location where we are entrusted with security operations. The plan is reviewed and approved by our clients prior to implementation. An ongoing review of the plan is done on a regular basis to ensure that our security and patrol services always meet our client's needs and requirements.

We provide performance, not just promises and this is what sets our security services apart from our competitors.

The most important objective for providing successful security is to understand exactly what each client's requirements and expectations are. We are then able to station the best qualified Security Officer to fit into that client's business profile. WM Security Solutions is made up of motivated people filled with team spirit, proud of the reputation we've earned through our commitment to total customer satisfaction, and living up to our motto:

Dedication: We pledge personal and professional commitment and devotion ensuring that the needs of our client are met.

Diligence: We provide steady attention and the highest degree of care to each assigned and unassigned task required by our client.

Diversity: We do not discriminate on the basis of age, gender, ethnicity or sexual orientation. Our emphasis is on employee integrity, professionalism and commitment.

- E**xemplary Job Performance At All Times.
- X**ceptional Personal And Professional Integrity.
- C**ustomer Service And Satisfaction.
- E**nthusiasm In Accomplishing The Mission.
- L**oyalty To Our Team And Our Clients.

The most important objective for providing successful security is to understand exactly what each client's requirements and expectations are. We are then able to station the best qualified security officer to fit into that client's business profile. We provide training on all **WM Security Solutions** procedures and policies, report writing including daily activity reports, incident reports, fire watch & patrol reports. All of our guards speak English and security professional has been screened to the standards of the united states government secret clearance program.

WM Security Solutions

We Help You Keep Peace!

Our management will review and revise existing post orders, subject to your review, or create post orders where there are none, and review them with you to ensure that they accurately reflect your instructions. Daily Activity Reports (DAR's) will be maintained at your site and will be distributed accordingly per your instructions. Incident Reports (IR's) will be filled out and distributed in a manner and procedure you designate. We will use forms developed at your facility or provide them where there are none. All personnel will use their best efforts to observe and report any physical facility problems they observe such as damages, breakage, plumbing problems, and other reportable occurrences immediately in a manner or procedure that you designate.

Cost Of Service For Standing Or Trailer Guard Services For Construction Sites

WM Security Solutions provides all management, training (including OJT), supervision, manpower, material, supplies, and equipment (except as otherwise noted), and shall plan, schedule, coordinate, and assure effective performance of all services described herein. All of the following rates include: Federal and State taxes, unemployment, workers compensation and liability insurances, overtime, training, turnover costs, recruiting, criminal records checks, drug testing, uniforms (blazers for desk clerks and full uniform for security officers), personnel costs, as well as all other management and supervision costs.

Stationary Standing Guard Services: All personnel will use their best efforts to observe and report any physical facility problems they observe such as damages, breakage, plumbing problems, and other reportable occurrences immediately in a manner or procedure that you designate. **WM Security Solutions** proposes to provide a Uniformed Private Unarmed Security Officer during the hours required. Our Security officer will be responsible for monitoring the jobsite, patrolling, maintaining necessary paper work, signing after-hour workers out of the property and roving within the facility periodically.

Trailer Guard Services: WM Security Solutions is the security industry's leader in security of construction sites. WM Security Solutions offers On-site trailer packages with security officer who patrols the grounds when your employees leave for the day. These officers observe and report any site disturbances by documenting them on daily reports. WM Security Solutions proposes to provide a portable security headquarters (trailer) set up on your construction site; we will supply and install a perimeter alarm system customized to the needs of your site. We will provide cell phones, warning signs, fire extinguishers, first aid kits, and such other tools and/or equipment required to monitor activity on your site. Our security officer will spend time to patrolling and then to monitoring the site & writing Daily Activity Reports.
